

Delivery Service

APC Landscape Supply offers delivery to your location with a tandem. Our tandem holds up to 12 cy or 15 tons. Same day delivery is possible. Due to scheduling, we prefer to have at least 24 hours notice.

Delivery charges are quoted upon order.

Before scheduling a delivery please contact your local City and Home Owners Association to discuss the laws and rules of your planned dump site. Some cities do not allow you to dump on the streets.
